Strategic rationale

- Creating a **common European exhibition platform** in the agro-food sector consisting of:
 - **"Tuttofood powered by Cibus"** in Milan, which will position itself as an international event which, in addition to supporting the domestic supply chain, will be the reference for an exhibition audience coming from all the leading countries in agro-food production, thus competing with the European exhibitions, and by
 - **"Cibus"** in Parma, an iconic event for the excellent food Made In Italy and for its territories

The transaction

- Subscription of a **capital increase** of Fiere di Parma reserved for Fiera Milano, to be released through the **contribution of the Fiera Milano business unit "Tuttofood"** for a value of c. Euro 16.5 million

Governance

- Fiera Milano will initially hold a **stake of 18.5%** in the share capital of Fiere di Parma. Agreements relating to the **new governance** of Fiere di Parma and a **service agreement** between Fiera Milano and Fiere di Parma are also envisaged

Economic impact for Fiera Milano

- (i) **rentals** deriving from the TuttoFood powered by Cibus exhibition space hosted in Rho (Milan); (ii) **EBITDA of services** offered by Fiera Milano to TuttoFood powered by Cibus; (iii) **18.5% net results** of Fiere di Parma; (iv) **reduction of domestic competition**

Thanks to the synergies created between Fiera Milano and Fiere di Parma, TuttoFood powered by Cibus and Cibus will be able to specialize their positioning, offering a strategic and **permanent support to the agro-food Made in Italy** and, in general, to the Italian system

The change of Euro 12.1m is mainly composed of:

In questa seconda edizione, con estrema soddisfazione dei promotori, il rating esg medio è cresciuto di circa il 100% e tutte le imprese hanno migliorato le loro performance. Il numero delle aziende partecipanti ha consentito agli organizzatori di avere un angolo di osservazione privilegiato su un sistema imprenditoriale brillante e dinamico, per il quale la sostenibilità è un must have. La casistica è talmente ampia che gli organizzatori hanno deciso di attribuire anche alcuni premi speciali

che saranno svelati, assieme agli altri, nella serata di gala a Milano. Gli organizzatori si sono impegnati a consegnare personalmente i report di rating esg a tutti i

partecipanti e organizzeranno nei prossimi mesi incontri faccia a faccia con ciascuno per approfondire gli elementi migliorabili e preparare,

anche grazie alla community, la strada alla terza edizione. Che vuole ampliare la platea delle imprese sostenibili cui offrire questa grande opportunità.
