

ALESSANDRA AGRUSTI

Alessandra Agrusti, Internal Audit Group Director of Fiera Milano since November 2023 and in the Fiera Milano Group since 2017.

After having successfully completed her scientific high school education and graduating in General Management from the Bocconi University, she earned a master's degree in Advisory Services, Corporate, Governance and Finance at Ernst & Young Business School in Milan.

From 2007 to 2017, she held the position of Internal Auditor at Ernst & Young Financial Business Advisors S.p.A., where she gained substantial experience in the project with focus on Compliance Framework gained in leading national and international listed or unlisted companies, belonging to the private or public sector (ex. transport, construction, multiutility, healthcare, etc.).

Furthermore, she has worked in the survey, analysis and redesign of the main corporate processes, corporate organization, analysis of effectiveness and efficiency of internal control systems, risk assessment projects and corporate/organizational consultancy activities for both Italian and foreign clients.
